

NOTICE TO MARINERS

No 12(T) of 2018

Port of Southampton – Eling Marsh – Remediation Works – Two Electricity Pylons

NOTICE IS HEREBY GIVEN that remediation work is required to protect the foundations of Electricity Towers NM13 and NMA1 which have been exposed due to erosion of the tidal mudflats within the Test and subsequently the islands on which the Towers are situated. Works are required to prevent further erosion. Works to commence 3rd April 2018.

Towers undergoing remediation works

Vessels are requested to proceed with caution when navigating in the vicinity of the mudflats in order to conduct their passage safely and be aware of the barge operating in the area.

This notice will be self-cancelling upon completion of the works, anticipated duration 10 weeks.
