

NOTICE TO MARINERS

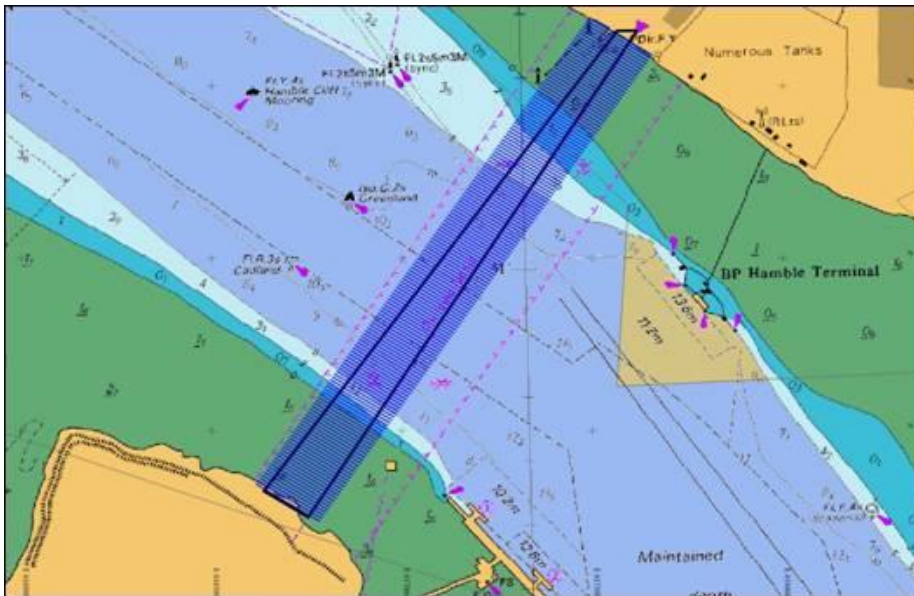

No 17 of 2018

Port of Southampton – Southampton Water

Hydrographic Survey Operations

9th to 12th May 2018

NOTICE IS HEREBY GIVEN that between the 9th May 2018 and 12th May 2018 Multibeam and Sub-Bottom Profiling survey operations will be taking place in the vicinity of the Esso and BP Pipelines in Southampton Water, as shown in the charlet below.

The Survey Vessel 'AQUADYNAMIC', a 12m RIB will be undertaking the survey operations between the Fawley and Hamble banks and will be maintaining a listening watch on VHF channel 12.

The vessel will display the relevant lights and shapes when engaged in survey operations and as required by the International Regulations for Preventing Collisions at sea.

This notice will be self-cancelling completion of the survey operations.
