

NOTICE TO MARINERS

No 22 (T) of 2019

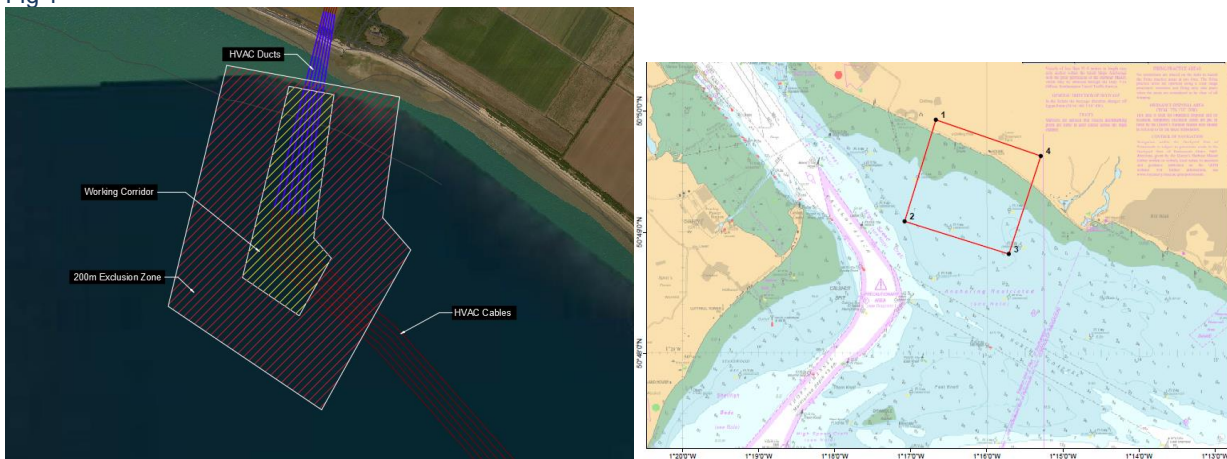

Port of Southampton – IFA2 Interconnector Project – Cable Landfall Preparation and Pulling Works at Chilling

Notice is hereby given by Harbour Master, Port of Southampton, to advise Mariners of the cable landfall works, including diving inspection operations and installation of extensions to previously installed ducts are planned to commence in early June and complete by the middle of August 2019.

There will be a number of vessels involved in the works, including two jack-up barges, a transfer barge and two tugs.

Vessels are requested to remain outside the zone highlighted in Fig 1 and pass at a safe speed and distance, approx. 500m, from all construction and support vessels. During the works these vessels will have restricted manoeuvrability.

Fig 1

The vessels will monitor VHF channels 12 and 16 at all times.
