

NOTICE TO MARINERS

No 47 (T) of 2019

Port of Southampton – Autumn Maintenance Dredging **October - December 2019**

NOTICE IS HEREBY GIVEN that the trailing suction hopper dredger ‘UKD Bluefin’ will be engaged in dredging in the main channels, swinging grounds and berths in the Rivers Itchen and Test, Port of Southampton, also in Southampton Water and the Thorn Channel, for a period of approximately 4 weeks, commencing on or about Tuesday 1st October 2019.

Bed levelling will also be carried out by the bed levelling tender ‘UKD Sealion’ in berths and channels as necessary, in conjunction with the dredging programme. This work will also commence on the 1st of October 2019 for a period of around 10 weeks.

The dredger and tender will display lights and shapes as required by the International Regulations for the Prevention of Collisions at Sea and mariners are requested to reduce speed as safe navigation permits when passing them whilst engaged in underwater activities.

Weather allowing, dredging and bed levelling operations will be continuous throughout the period and mariners should expect to pass the ‘UKD Bluefin’ at any time between the upper reaches of Southampton Water and the Nab disposal area.

The dredgers will maintain a listening watch on VHF Channel 12 throughout dredging operations and mariners may also request movement information from Southampton VTS on VHF Channel 12.

This notice will be self-cancelling on completion of the dredging programme.
