

NOTICE TO MARINERS

No 14(T) of 2020

Port of Southampton – Fawley Marine Terminal – Maintenance Dredging April 2020

NOTICE IS HEREBY GIVEN that the trailing suction hopper dredger 'UKD Bluefin' will be engaged in dredging at Fawley Marine Terminal, for a period of approximately 1 week, commencing on or about 6th April 2020.

Bed levelling will also be carried out by the bed levelling tender 'UKD Sealion' Fawley Marine Terminal as necessary, in conjunction with the dredging programme. This work will commence on or about 6th April 2020 and take place for a period of approximately 7 days.

The dredger and tender will display lights and shapes as required by the International Regulations for the Prevention of Collisions at Sea and mariners are requested to reduce speed as safe navigation permits when passing them whilst engaged in underwater activities.

Weather allowing, dredging and bed levelling operations will be continuous throughout the period and mariners should expect to pass the 'UKD Bluefin' at any time between the upper reaches of Southampton Water and the Nab disposal area.

The dredgers will maintain a listening watch on VHF Channel 12 throughout dredging operations and mariners may also request movement information from Southampton VTS on VHF Channel 12.

This notice will be self-cancelling on completion of the dredging programme.
