## Pilotage Charges

The following pilotage charges are made in accordance with provisions contained in Section 10 of the Pilotage Act, 1987.

### **1. Services of a Pilot – General Provisions**

- 1.1 The pilotage charges in this list are for pilotage services rendered to vessels over 61 metres length overall, or over 20 metres length overall if carrying more than 12 passengers.
- 1.2 Pilotage charges are based on either draught (calculated in decimetres) or net tonnage, or a combination of both. Invoices shall be subject to a minimum charge of £400.00 (or 75% of this figure where Rates 1,2,3 and 4 of this list are not applied).
- 1.3 The minimum draught of water upon which charges are calculated shall be 3.70 metres (previously 12 feet).
- 1.4 The pre-metric (pre-2008) Tariffs contained staged increases at 'Over' 14ft, 20ft, 25ft, 30ft and 40ft. These staged bands are now set at 'Over' 4.30m, 6.10m, 7.60m, 9.10m and 12.20m respectively. Where an Actual Draught is shown to a second decimal place, the draught shall be rounded up to the nearest full decimetre (ie. 10.16m to 10.20m)

### **2 Provision, Maintenance and Upkeep of Pilot Boats and Ancillary Services for the Pilotage Area**

In addition to the charges for the services of a Pilot the following Service Charges are payable:

A revised charge of 59.00% of all applicable charges during their stay in the pilotage area for vessels paying pilotage rates under Rates 1, 2, 3 and 4 of this list, subject to a maximum of £550.00 for each occasion when a pilot is employed.

A charge of 29.50% of all applicable charges during their stay in the pilotage area for all vessels which do not pay charges under Rates 1, 2, 3 and 4 of this list, subject to a maximum of £550.00 for each occasion when a pilot is employed.

### **3. Acts of Self-Pilotage**

A charge of 25% of the tariff charges for compulsory pilotage (services of a Pilot plus service charges) will be levied against the vessel where a Master or Mate holds a Pilotage Exemption Certificate for any part of the pilotage area to which the Certificate applies, in circumstances in which the employment of a Pilot would otherwise be compulsory.

Minimum Charges shall not apply to PEC charges.

Charges for acts of self-pilotage as defined above shall be applied against all vessels "making use of the Port" which, for the purposes of these charges, shall mean vessels undertaking acts of self-pilotage and making use of the area to the north side of an imaginary straight line between Hill Head on the eastern side of the entrance to Southampton Water and Stansore Point on the western side.

Charges for acts of self-pilotage as defined above may be compounded by payment in advance of 100 movements per ship per annum.

Monthly returns of acts of self-pilotage are required to be made to ABP detailing draught (if greater than 3.70 metres), the voyage covered and the number of self-pilot acts.

### **4. Payment Terms**

Pilotage charges are payable on demand.

If charges incurred are not paid within one month from the date on which they are due, interest at 5% per month shall be applied.

### **5. Vessel**

For the purposes of these charges "vessel" means any floating craft, self-propelled (either by power or wind) or towed (as defined in the Pilotage Directions Section 2).

### **6. South of Nab Boarding Charge**

Tankers of 60,000 dwt or above are required to board 4 miles south of the Nab tower and the following additional charge is applicable:

Vessels over 60,000 but less than 120,000 dwt	£98.00
Vessels 120,000 dwt or over	£196.00

### **7. Detention Charge**

In the event that a pilot attends to take charge of a vessel at the request of the Owners, Agents or Master and the pilot is detained on board awaiting the vessel's departure, or is detained while the vessels is on inward or outward passage, shifting berth or other operation, no charge will be levied for the first hour but thereafter a charge of £99.50 per additional half hour or part thereof shall be applicable.

## **8. Cancellation Charge**

If the sailing of an outward bound vessel is cancelled, for whatever reason and a pilot has been dispatched to, or has made an abortive attendance on board in accordance with the Owner's, Master's or Agent's instructions, a Cancellation Charge of £181.00 will be levied. The Cancellation Charge will also be made if a pilot has been ordered and properly dispatched to an inward bound vessel, or vessel at anchor, whose movements are subsequently cancelled.

## **9. Over-carriage and/or Out of District Services of a Pilot**

Pilots are under instruction not to agree to be voluntarily over-carried out of the pilotage district. However, if it has been agreed in advance because of a likely inability to embark or disembark the pilot through stress of weather, or where the pilot boat service has been discontinued due to stress of weather, or other unavoidable circumstances, the following charges will be made:

- (i) In addition to the normal outward pilotage charge, a charge will be made for the pilot's time from the moment the vessel leaves the pilotage limit until the pilot is able to disembark from the vessel. The charges will be made according to the area in which the port/disembarkation location is situated, as specified in paragraph (iv) below:
- (ii) In addition to the normal inward pilotage charge, a charge will be made for the pilot's time from the moment of boarding the vessel to the time the pilot is able to disembark from the vessel. The charges will be made according to the area in which the boarding location is situated, as specified in paragraph (iv) below:
- (iii) The vessel will be required to reimburse all reasonable travel and subsistence costs involved in sending the pilot to the point of embarkation or returning the pilot to Southampton, where such costs have not already been met by the Agent and/or Shipowner concerned.
- (iv) Area 1           £850.00  
UK and French Ports within the English Channel  
  
Area 2           £1,600.00  
North Sea ports bounded by a line joining Newcastle to the north and Hamburg to the east.

Over-carriage outside of these limits will not normally be permitted except in exceptional circumstances and with the agreement of the Harbour Master, Pilot and vessel's Agent.

(Masters, Agents and Owners are reminded that it is an offence under Section 19 of the Pilotage Act 1987, to take an authorised pilot out of the district without reasonable excuse and without his/her consent).
