

NOTICE TO MARINERS No 52 (T) of 2023 **Port of Southampton**

Seasonal Maintenance Dredging – August 2023 (Amendment 2)

NOTICE IS HEREBY GIVEN that the trailing suction hopper dredger UKD BLUEFIN will be engaged in dredging operations in the main channels, swinging grounds and berths in the Rivers Itchen and Test, Port of Southampton, Southampton Water, Solent Gateway Fawley Marine Terminals as well as the Thorn Channel for a period of approximately 11 days commencing on or around 23rd August 2023.

Bed levelling will also be carried out by the bed levelling tender UKD SEALION in berths and channels as necessary in conjunction with the dredging program. This work will commence on 1st September 2023 for up to 50 days.

Bed levelling will commence at Esso – Fawley Marine Terminal on 11th September 2023 for a period of approx. 7 days in conjunction with the ABP maintenance works.

Dredging and bed levelling will commence at Solent Gateway Ltd. and BP Hamble on 8th October 2023 for a period of approx. 7 days in conjunction with the ABP maintenance works.

The dredgers and tender will display lights and shapes as required by the International Regulations for the Prevention of Collisions at Sea and mariners are requested to reduce speed as safe navigation permits when passing them whilst engaged in underwater activities.

Weather allowing, these operations will be continuous throughout the stated period and mariners should expect to pass UKD BLUEFIN at any time between the upper reaches of Southampton Water and the Nab Disposal Ground.

The dredgers will maintain a listening watch on VHF Channel 12 throughout dredging operations and mariners may also request movement information from Southampton VTS on VHF Channel 12.

*This notice will be self-cancelling on completion of the dredging program.
