

NOTICE TO MARINERS

No 67 (T) of 2023

Port of Southampton – Ocean Village South Side Pontoons replacement works

NOTICE IS HEREBY GIVEN that Ocean Village marina, located on the river Itchen, will be conducting maintenance works to its pontoons and piling within the southern water space of the site. Works are due to commence on Monday the 13th November 2023 and are expected to last until March 2024. Dredging is expected to start on the 4th of December.

Works will involve the sequenced removal and direct replacement of pontoons and piles, with dredging of the water space also to occur whilst pontoons are off station.

Works will be carried out Monday to Saturday 0800 - 1800 from floating plant (details tbc). Dredging will be completed 7 days per week using a backhoe dredger and Split hopper barges (details tbc).

All vessels will be maintaining a listening watch on VHF Ch12 and will display lights and shapes as required by the International Regulations for Preventing Collisions at Sea.

Mariners are requested to navigate with caution in vicinity of the works, allowing wide berth and minimum wash where practicable. If required, additional information can be requested from Southampton VTS on VHF Ch12.
