

Repair operations carried out by Prysmian have now concluded and the project now enters a guard phase to protect assets whilst licenses are acquired for cable protection. Mariners are requested to pass at a safe speed observing a **200m guard Zone** around the work area.

Guard Operations will be ongoing to protect the area of the cable repair at sea and will be marked by **GV DILIGENT**.

| Vessel DILIGENT   | Details   |           |
|---|-----------|-----------|
|  | IMO       | 7229743   |
|   | MMSI      | 232007970 |
|   | Call Sign | MJZKV7    |
|   | Flag      | British   |
|   | LOA       | 26m       |
|   | Beam      | 6.5m      |

All vessels involved in the works will monitor VHF Channels 11, 12 & 16 as necessary and more information can be requested from KHM Harbour Control using 02392 723694. Traffic planning to pass through the area should liaise via VTS Southampton on VHF Ch 12.

This notice will be self-cancelling on 30<sup>th</sup> September 2024.
