

NOTICE TO MARINERS No 48 (T) of 2024
Port of Southampton - Dredging – July 2024

NOTICE IS HEREBY GIVEN that bed levelling will be carried out by the bed levelling tender UKD SEALION in berths and channels as necessary in conjunction with the dredging program. This work will be from 2nd July 2024 for a period of approx. 7 Weeks.

UKD Sealion will be working in the Approaches and Berth of BP hamble until the 5th July before resuming ABP works.

The dredgers and tender will display lights and shapes as required by the International Regulations for the Prevention of Collisions at Sea and mariners are requested to reduce speed as safe navigation permits when passing them whilst engaged in underwater activities.

Weather allowing, these operations will be continuous throughout the stated period and mariners should expect to pass UKD Sealion at any time between the upper reaches of Southampton Water and the Nab Channel

The dredger will maintain a listening watch on VHF Channel 12 throughout dredging operations and mariners may also request movement information from Southampton VTS on VHF Channel 12.

*This notice will be self-cancelling on completion of the dredging program.
