NOTICE TO MARINERS

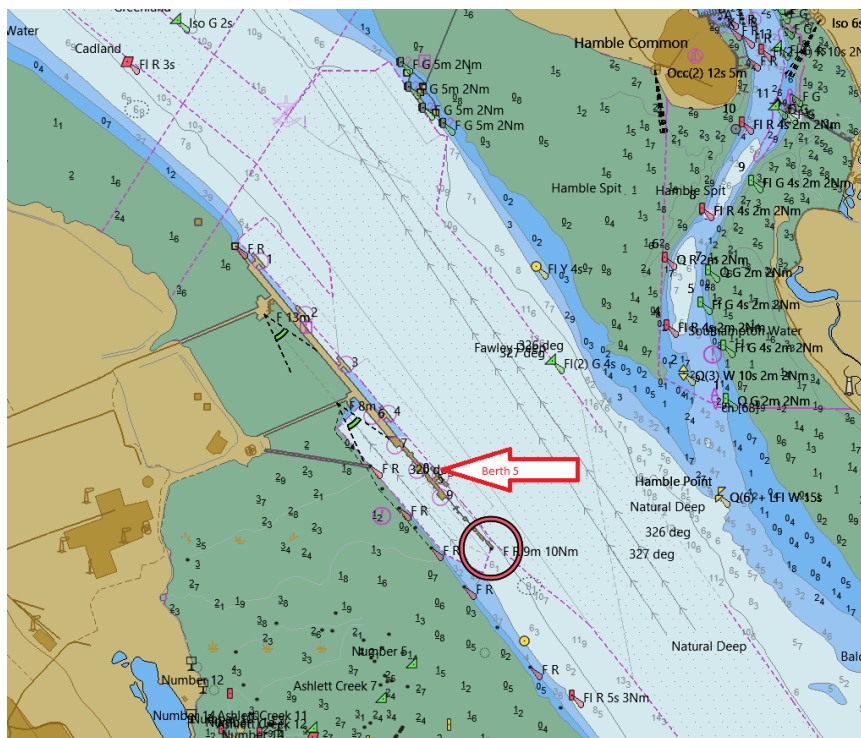

No 58 (T) of 2024 (No 3)

Port of Southampton – ExxonMobil Berth 5 Hard-arms lift operations

NOTICE IS HEREBY GIVEN that tug WILLCHALLENGE & WILCARRY 1750 barge will be alongside ExxonMobil Fawley Marine Terminal, Berth 5 to carry out lifting operations of hard-arms, during the operations they will be assisted by another Williams Shipping workboat.

It's expected that three separate periods will be required lasting two days each.

During the lift operation, minimum wash and minimum safe speed is required, as directed by VTS.

This notice will be self-cancelling on completion of works.
